OAK

1932

VOLUME XXI

STATE TEACHERS COLLEGE
INDIANA PENNSYLVANIA

U
1932
C.5

DEDICATION

To . . .

MATTHEW J. WALSH

As a token of our sincere appreciation for his great service to the cause of education, for his splendid example of supreme leadership, and for the permanent devotion which binds us to him, we affectionately dedicate this, the twenty-first volume of "The Oak"

FOREWORD

*O*S stands the oak tree, sturdy and unbending against the forces of time and oblivion, so may this OAK stand, guarding against forgetfulness the memories both of work and play of your years at Indiana.

FEATURES

Alma Mater

To our noble Alma Mater's name
We, her children
Sing a joyful lay,
And to her new allegiance pledge,
That lives beyond a day.

Chorus

Sing, Oh Sing!
Our Alma Mater's praise.
Hail, Oh Hail!
Her color's gleaming hue!
Give to her our homage and our love
And to her name be true.

A pray'r for her who sheltered us,
A hope no child her name will stain,
A cheer thrice given with hearty voice,
And now the sweet refrain.

Of loyalty are symbols twain
Her colors, crimson and the gray,
"Dear Indiana, Mother Fair,"
The burden of our lay.

The groves were God's first temples.

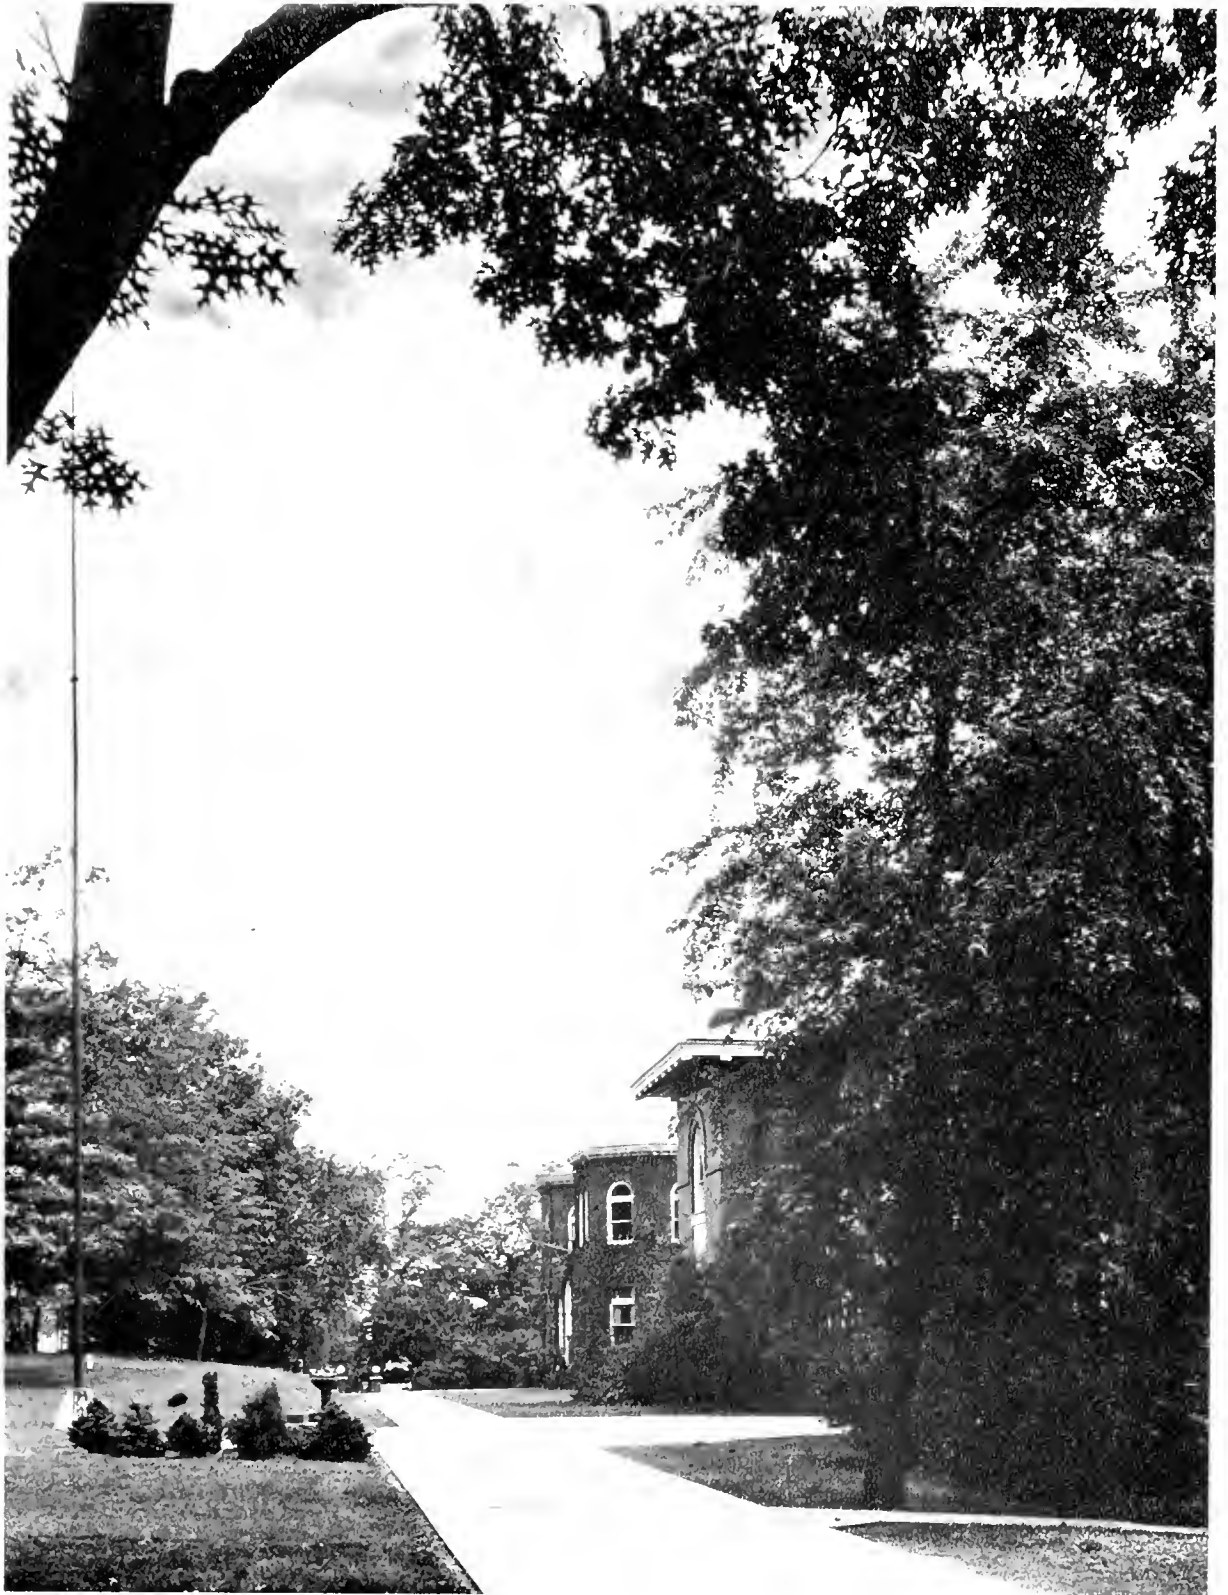

—BRYANT.

CLARK HALL
FROM THE GROVE

*'Tis education forms the common mind;
Just as the twig is bent the tree's inclined.*

POPE.

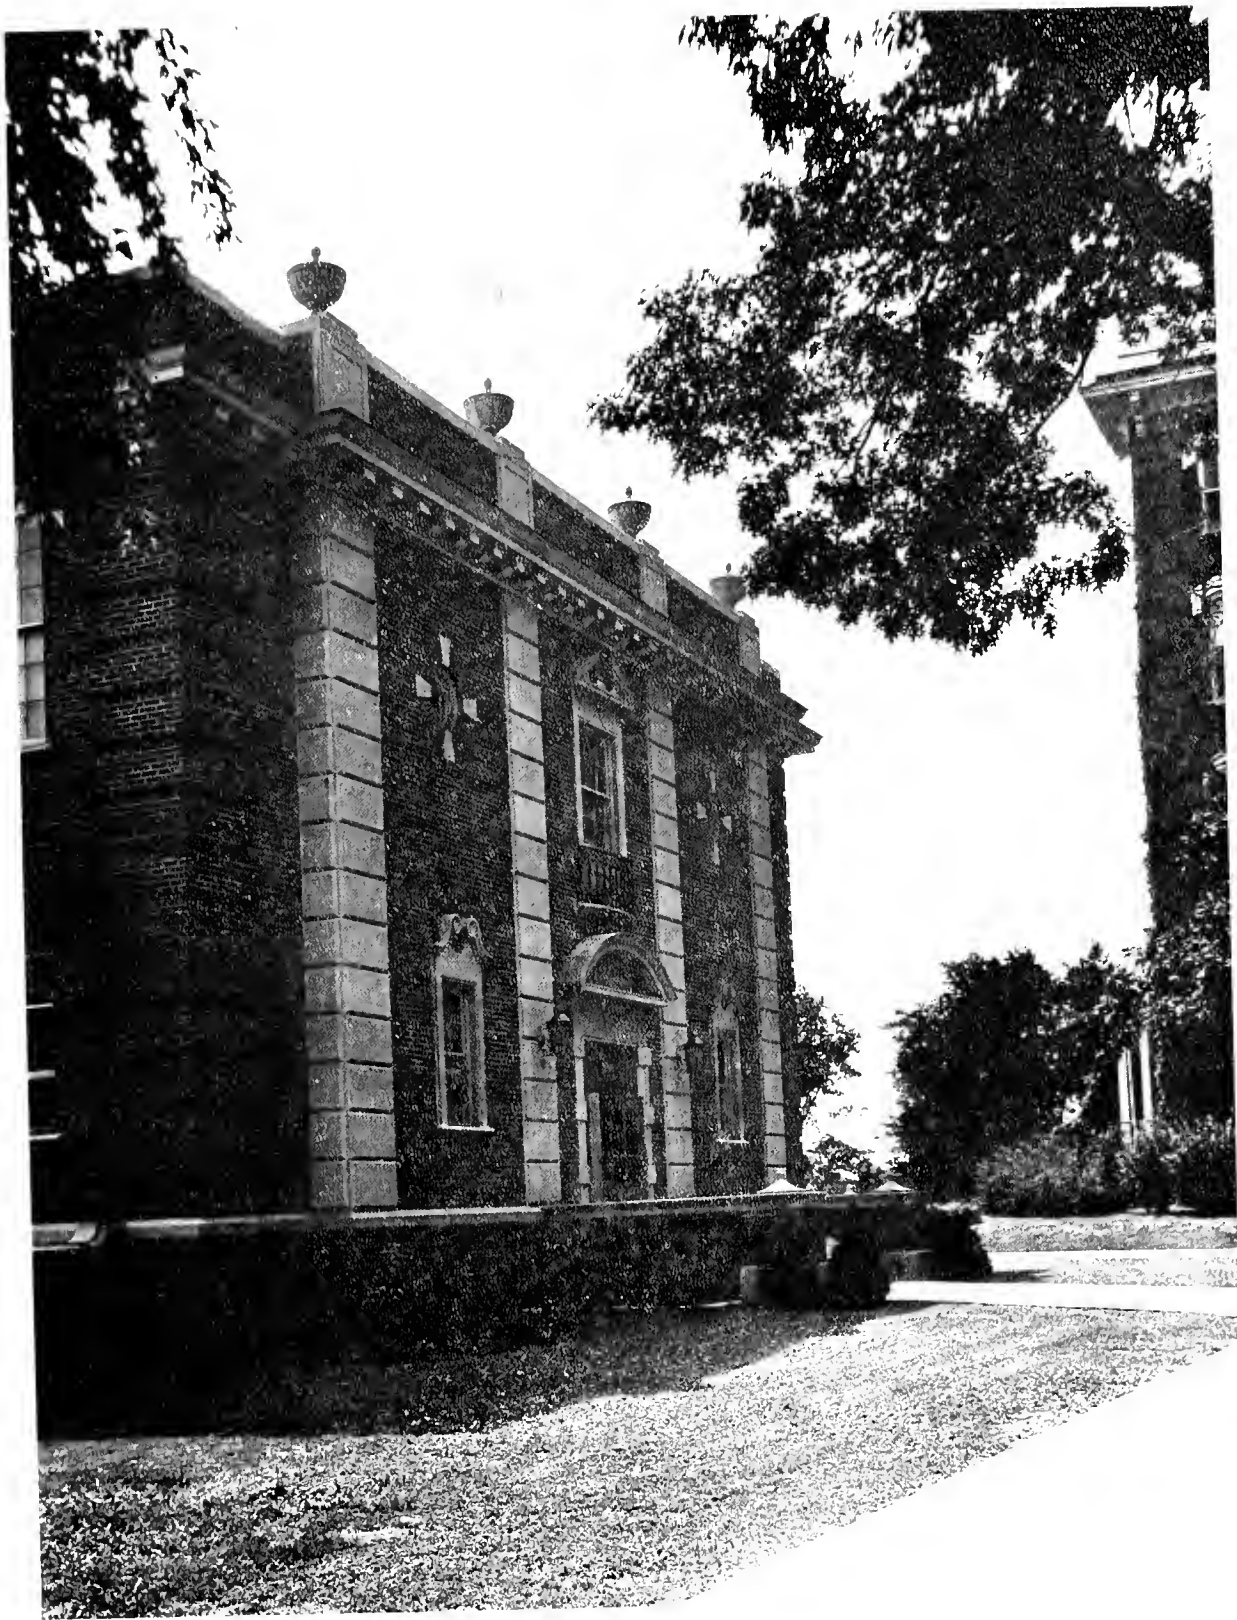

*A Pillar'd shade
High over-arch'd, and echoing walks between.*
— MILTON.

Ah, to build, to build!
That is the noblest of all the arts.

—LONGFELLOW.

*Where'er you walk, cool gales shall fan the glade,
Trees, where you sit, shall crowd into a shade.*

—POPE.

JUNIORS

The Junior Class

THE Junior Class of 1931-1932 is composed of all students enrolled in the four-year curricula, including Art, Commerce, Elementary Degree, Home Economics, Secondary Education, and Music.

The organization has for its purpose the administration of the various duties that are involved in conducting a group of this type.

Naturally, the Junior Class organization had high motifs and aspirations. Its accomplishments for the past year indicate that it has fulfilled its duties and carried out its ambitions, forming the idea that an education is worth having in this modern period of financial depression.

The class representatives in the various extra-curricular activities on the campus have proven themselves worthy of their capacities.

In connection with the Sophomore Class, the Juniors attended the annual Spring Prom which took place after the Easter Vacation. This affair proved to be one of the most outstanding dances ever to be promoted in this school.

The class extends its sincere appreciation for the services rendered by Mr. Jams, the adviser of the group.

—SHELLEY.

SOPHOMORES

The Sophomore Class

THE Sophomore Class, representing all four-year students in Secondary Education, Commercial, Art, Home Economics, Music, and Elementary Degree Departments, lived up to expectations and became the same live group that characterized it as Freshman.

The class has distinguished itself by its participation in the many social activities and organizations. The Annual Spring Prom, held in conjunction with the Junior Class, April 16, led the calendar of sophomore activities.

Although freshman initiation tended to supply a new dignity, the class soon lost its aloofness as new acquaintances were made and old ones revived. The class wishes to thank its sponsor, Mr. Johnson, for his interest and guidance and hope to continue their pleasant class associations as Juniors.

FRESHMEN

Freshman Class

THIS year more than six hundred Freshmen enrolled at Indiana. Awkward, green, ill-at-ease, and a bit frightened at first, they by degrees became acclimated and began to look about a little. Now they are in the full swing of college life, working and playing in accordance with the best Indiana traditions.

The major event of the Freshman social year, the Freshman Promenade, was held on March 5 and was a brilliant success.

Toward next year the Freshmen look with hope and expectation; they look to it as the time when they will be Sophomores, when they will begin to count in the world. But being Freshmen isn't so bad, after all.

WE THANK—

MR. KENNETH LOVE for original designs and art work.

MISS BERNICE ORNDORFF and MR. CLINTON FILE for supervising the editorial and financial staffs.

PAUL KUNKLE
Editor

MISS MUNSON for advice in selecting the cover.

MR. H. B. WEAVER of the Pittsburgh Printing Company.

MR. R. L. ROST of the Northern Engraving Company.

MR. E. C. SCHROETER of the David J. Molloy Company.

MR. CARL DOUGLASS of the Douglass Studio for scenic, group, and individual photographs; also for assistance in mounting panels and groups.

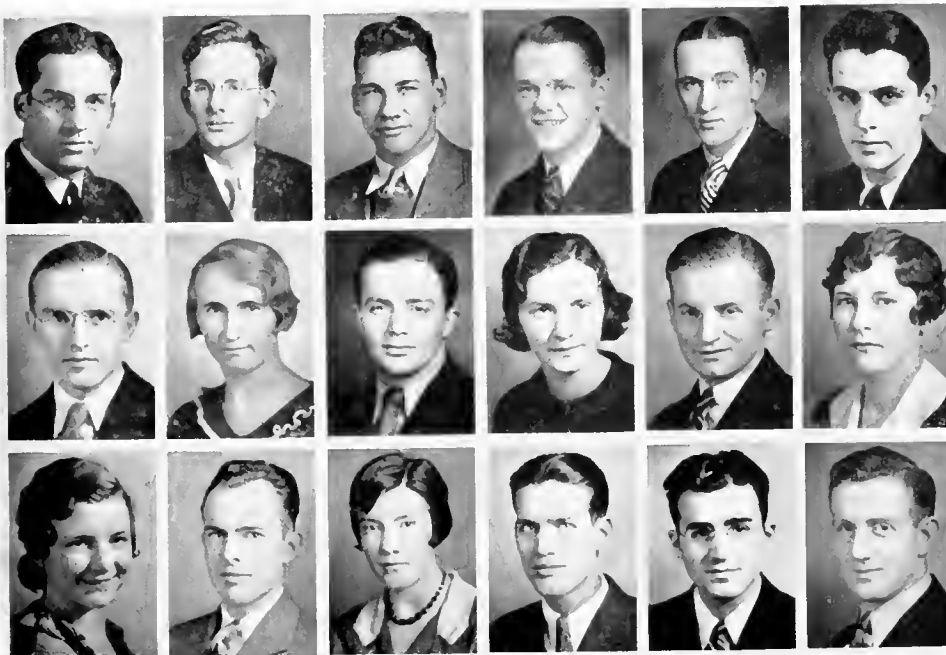

Those Seniors and underclass assistants pictured among the staff; the Administration of the College for supplying lists; the faculty for their cooperation in business matters.

The fraternities and sororities for their spirit of cooperation.

To comment at length on this particular OAK would be to slight the judgment of our readers. Briefly: assimilate the idea of the modern periodical—Harper's Bazar or Vanity Fair—exponents of right angles and diagonal page layout; couple with that the outstanding events of the school year; add to that a mellowness of color and design to augment whatever sentiment a black and white picture suggest. We have attempted to achieve, then, something that is modern in a practical way yet not devoid of feeling.

The Indiana Penn

THE Indiana Penn is the newspaper of the College. It is published by a staff selected from students interested in journalism. According to a plan put into effect in 1926-1927, each of the more important staff positions has underclass assistants. At the end of the year the members of the regular staff are elected from the assistants. Thus continuity and preparatory training on the staff are made possible.

The paper prints the news of all the extra-curricular activities through reporters elected by the various organizations. Its features include a humorous column, exchanges from other college weeklies, development in the educational world, and some student literary productions. Its reporters cover important events around the campus and interview famous visitors.

This college newspaper has grown from one page of typed material published irregularly to a four-page paper published regularly each week. The publication is financed through the college registration fee.

The Student Council

IT was only a year ago that the Student Council had its origin through the efforts of Dr. Foster, who presented to the student body of the school a proposed plan for student participation in government at Indiana. The constitution was prepared by several members of the faculty who were interested in this step in advancement.

The purpose of the organization is to promote in every way possible the best interests of the college; to regulate all matters of student conduct which do not fall under the jurisdiction of the faculty and, in general, to serve as a means by which the needs of the students may be presented to the Council.

The Constitution requires that the Council be made up of three representatives from the Degree Seniors, three from the Diploma Seniors, and two from each of the other classes, making a total of twelve representatives. The constitution also calls for the president of the Womens Student League and of the Men's Student League to serve as representatives.

During the past year, the first complete year of its existence, the Student Council met with fair success in accomplishing the purposes of the organization. Through the various student organizations and the use of the bulletin board it promoted a better attendance at the Vesper Service. Secondly, it adopted what seems to be a more satisfactory plan for freshman customs which will be put in operation at the beginning of the next school year. Finally, it endeavored to create on the campus a desire for only the best type of dancing, and with it to lengthen the period of dancing on certain nights of the year.

The Prigrind Club

THE Prigrind Club is one of the oldest organizations on the campus. At one time the meetings, dinners, and luncheons were held in Pittsburgh. For the past eight years all its meetings have been at the college.

The letters of the word Prigrind, derived from the three words: Primary Group of Indiana, stand for the objectives:

- P—progress
- R—responsibility
- I—initiative
- G—generosity
- R—receptiveness
- I—interest
- N—neighborliness
- D—dependability

The aims of the club are both social and educational; hence its work has been considered most practical and beneficial. Once a month the club meets in assembly. The group itself sometimes provides the program, and at other times speakers are invited from other departments, or from outside. Miss Grassmuck, Dr. Davis, and Dr. Williams, from the University of Pittsburgh, have honored us this year.

The social activities include an informal get-together during the first semester, a formal tea-dance for the incoming primary freshmen the second semester, and a closing breakfast to which all primary alumni are very welcome.

The Intermediate Club

THE Intermediate Club has a large membership which is made up of men and women students who are enrolled in the Intermediate Curriculum. Miss Jane McGrath is the faculty sponsor for the Club.

The purposes of the Club are to promote educational progress, to establish a bond of friendship and helpfulness among its members, and to co-operate with the other organizations of the College in maintaining its ideals and standards.

The Club has interesting social gatherings, both of a formal and an informal nature. The welcome to the Freshman is usually a tea-dance. The annual picnic is an occasion for a jolly day at the College Lodge. This year the Club was happy to co-operate with the "Travelers Club" and the "Mathematics Club" in bringing two interesting lecturers to the College. A "Travel Evening" with Miss Grassmuck was greatly enjoyed.

The Club is grateful to Miss McGrath and its officers for these interesting programs.

The Elementary Degree Club

THE Elementary Degree Club, under the leadership of Louise G. Walsh, its sponsor, has grown rapidly in membership, influence, and achievement in the three years of its existence at Indiana. It was founded in 1929 in recognition of the great demand for teachers of advanced training in the elementary schools. Last year this organization was composed of forty members, while this year it consists of sixty-four members. This is almost a fifty per cent increase over the preceding year. The graduates hold responsible positions in public school systems throughout the state. Two are doing critic work. Since the numbers are so large this year, Carrie Belle Parks has been appointed freshman adviser with Louise G. Walsh upper class adviser.

OFFICERS

<i>President</i>	BETTY SWIRES
<i>Vice President</i>	HELEN TURNER
<i>Secretary</i>	ZELMA POOLE
<i>Treasurer</i>	LOUISE WIGGINS
<i>Penn Reporter</i>	BETTY DOYLE
<i>Sponsor</i>	LOUISE G. WALSH
<i>Freshmen Adviser</i>	CARRIE B. PARKS

The Secondary Education Club

THE Secondary Education Club was formerly the Junior High Club, but recently took its present name with the reorganization in the curriculum which was made this year. To Mr. Walsh, under whose leadership the original club was instigated, goes much of the credit for its success.

Mr. Uhler is the present adviser. With his help the club is striving not only to keep the levels of attainment high, but to grow and reach new heights.

The Secondary Education Assembly is held at regular monthly intervals. Entertainment is provided by the different departments, by individual members, and by worthwhile speakers from the college and outside. Assembly provides the educational and recreational diversions necessary to school life.

The Art Club

UNDER the leadership of Miss Marion G. Miller, the Art Club had its origin in the fall of 1925. At first the club was small, but its numbers have grown until it can now be ranked among the major clubs of the school. The aims of the club, according to the constitution, are: (1) to stimulate and direct a permanent interest in art; (2) to develop an appreciation of art; (3) to develop creative ability.

As all art students automatically become members of the Art Club, the Art Department and Club are very closely allied. The present Club has a membership of approximately fifty-five art students, faculty, and associate members from other departments.

The Art Club holds a meeting one evening each month in which the constitutional meeting and the required department assembly are combined. The programs of these evening meetings are entertaining and educational. The chief speakers for this year were: Miss Parks, who talked on "Appreciation of Poetry"; the Sophomore Class, who gave Zona Gale's little play, "Neighbors"; the Junior Class, who gave impersonations of campus characters; Mr. Johnson, who spoke on "Recent Excavations"; Dr. Madden who talked on "Psychology and Art"; and the Senior Class.

As is the custom of the Club, a picnic in honor of the freshman was held at the School Lodge early in the fall. While the freshman sprawled in front of an open fire, the upper classmen planned an initiation and made each one of the beginning class go through the paces which made him a full-fledged Art Club member.

The plans for the formal banquet which is usually held the first semester were waived in favor of a later banquet. At this banquet a bronze medal was awarded to the art student who had done an outstanding piece of work in three different fields of art. This award is known as the *Jean R. McElhaney Award for Excellence in Fine Arts*. It was named in honor of the first head of the Art Department at Indiana State Teachers College. This banquet with the award seemed a fitting way to close the program for the year.

The Junior Chamber of Commerce

THE Junior Chamber of Commerce has set forth on a program of *activity*. This has been prevalent throughout the numerous professional and social meetings of the year.

Last fall the Junior Chamber of Commerce elected officers in a manner similar to the method of election used by the national political parties. The Department was divided into two parties. Each party held its convention and put up its slate. The girls, dissatisfied with the nominees, started a political revolution by putting up their own slate. They concluded the political revolution by winning the election.

The year's principal professional meeting was held on February 13th. Commercial teachers from all parts of Pennsylvania were here. The instructors of the Department of Commerce led discussions on leading professional topics. In the evening many attended a dinner in the Crystal Room of the Moore Hotel. A dance in Recreation Hall finished the day. It is intended that these conferences become an annual event on the Department of Commerce.

The Commercial Tea of last year was under the direction of the two commercial fraternities, Pi Omega Pi and Gamma Rho Tau, with the full co-operation of the Junior Chamber of Commerce. It was entirely independent of help from any instructor of the Department. The idea of a collegiate tea was carried out by decorating with college pennants.

One of the unusual events of the year was the Christmas Party at which the students entertained the children of the Childrens' Home. Mr. and Mrs. Santa Claus presented each child with candy and toys.

The Junior Chamber of Commerce continues on its program of *activity*.

The Department of Home Economics

SINCE March 1931, the Department of Home Economics has occupied its modern and well-equipped laboratories and classrooms on the third floor of the new Arts Building. These fine facilities help develop in every girl the desire to do her best work. In October 1931 the department was subsidized under the Smith-Hughes Vocational Act which gives State aid to schools meeting its requirements.

Johnstown was the first center to which seniors were sent for student teaching. At the present time there are six centers: Johnstown, Barnesboro, Blairsville, Elders Ridge, Indiana, and the Training School on the campus. Of these, Elders Ridge and Barnesboro are Smith-Hughes vocational schools and Blairsville is a George Reed vocational school.

In February, an additional member was added to the faculty of the department making seven in all. Miss Hower, the new member, is the supervisor for the six training centers.

There are thirty-one seniors, who will receive their Bachelor of Science degree in Home Economics in May of this year. This is the largest number since the degree of Bachelor of Science in Home Economics has been conferred. Last fall forty freshmen were enrolled, and in the future fifty freshmen will be allowed to enter each September.

Many of the activities of the department were carried on under the direction of the Home Economics Club, with Miss Scott adviser this year. Although membership in the club is not compulsory, the girls feel the desire and need for participation in such an organization, and the membership is almost identical with the enrollment of the department.

The programs given throughout the year were varied. They included a play and talks by students and members of the faculty. An outstanding social event of the year was the May Day breakfast, which is held annually in the large recitation room. During the year the club bought and presented to the department a picture of Ellen H. Richards, the founder of the American Home Economics Association. The club also became affiliated with the State and National Home Economics Association at the first of the year.

For several years a need was felt for a club song, and in 1931 an offer was opened to anyone desiring to compete. Many songs were received, and the one finally chosen by the members of the department was "Home Makers We" with music by Mrs. Robert Fisher and words by Mrs. Nichol, both of Indiana. This song adds feeling and inspiration to all gatherings.

The Mount Pleasant Vocational High School team, which won first place in the demonstration contests held at the Farm Products Show in Harrisburg in January, accepted Miss Collins' invitation to come to the college and give their demonstration before the students and guests of the department. This demonstration was given late in February and offered very helpful information for future home economic teachers.

The exhibit carried out in December by the department was the largest activity of the year. An exhibition of this kind is given once every four years, and includes displays of work in nutrition, foods, home management, table service, household physics, household chemistry, millinery, costume design, clothing, and child development. The purpose of the exhibition was to give the public a concept of the content and breadth of the work, and to prepare prospective home economics teachers to plan high school exhibits.

The Young Womens Christian Association

THE Young Women's Christian Association is the largest and one of the most potent organizations on the campus. It has for its aims,

1. Development of a Christian spirit,
2. Fostering, through its various activities, friendship among the women of the college, and,
3. Training the young women for social and community leadership.

The Y. W. C. A. recognizes the importance of scholarship and has helped to promote high scholastic achievement in the college by awarding a yearly scholarship. This fifty-dollar scholarship is awarded to a girl in the two-year curriculum who ranks well scholastically and who has been, during her two years at Indiana, a willing worker for the organization.

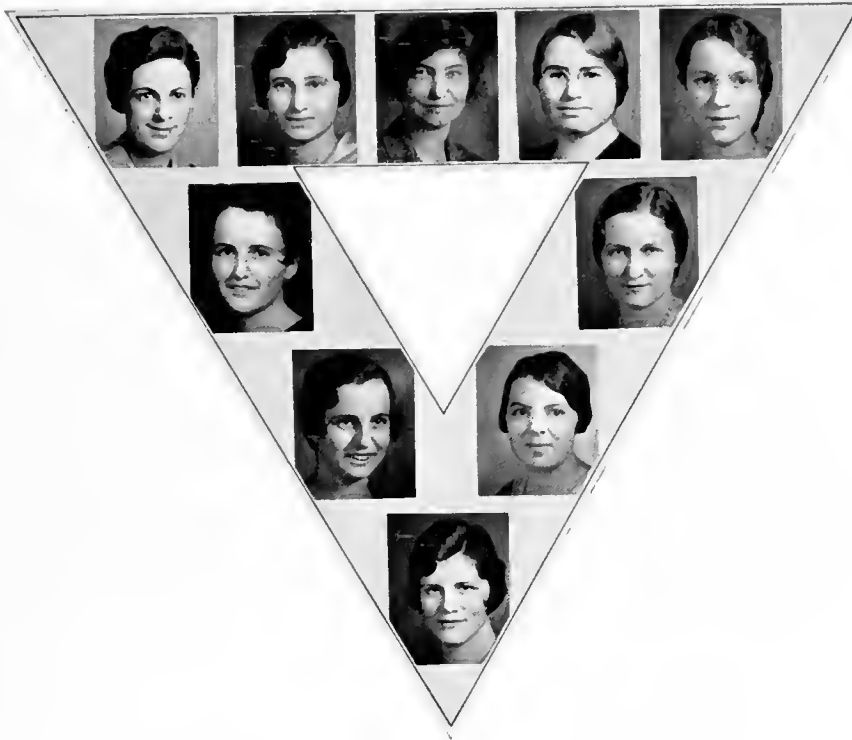

The Y. W. C. A. handbook, which is distributed to the Freshmen during the first week of school, has become a part of the usual work of the Y. W. C. A. Indiana has a handbook that really helps the Freshmen in their new home.

The girls of the Y. W. C. A. also help the Freshmen by choosing them as little sisters. Each girl has a Freshman for a "little sister" with whom she corresponds during the summer. It is an excellent way of coming into contact with the Freshmen.

The social meetings of the Y. W. have a definite purpose. Many lasting friendships are formed between students and between students and faculty as a result of association at teas and social meetings. The Freshman Party at the beginning of each semester, the Mascot Tea, the Hallowe'en Tea, as well as the regular Friday afternoon teas, help in the formation of new friendships and in the strengthening of old ones.

The monthly religious services are always most inspirational. These devotional meetings, such as the Candle Light Service, the Thanksgiving Prayer Service, the Christmas Carol Service, and the Pre-Easter Services, show the spiritual interest of the girls at Indiana.

Ever reaching for its star of achievement, the Y. W. C. A. has come to have a recognized position on the campus and in the hearts of all its members.

Alpha Omega Geographers

ALPHA CHAPTER

ORGANIZED as a general geography club in 1927, the club took its present name of Alpha Omega Geographers in 1928. Its purposes are to foster fellowship and to develop a broader interest in geography among the advanced geography students.

Much interest has been shown in our work by other colleges, and we believe that many opportunities will be presented for cooperative geography work.

An average of "B" in geography courses, and acceptance by the group are required for membership. Each year brings greater success and additional strength to Alpha Omega.

The Travelers Club

WITH the aid of Miss Grassmuck, the Travelers Club was organized in October 1927, to meet the demand for a general travel organization to which students from any department in the college might belong. Through the earnest cooperation of the student body, the club has become one of the largest organizations on the campus. Club activities are carried on also during the summer session.

Faculty and student "wanderlust" members, and off-campus travelers vitalized the monthly meetings with lectures, illustrated by lantern slides and motion pictures. A party opened this year's program. Flags of various countries and foods of other lands created an international atmosphere.

Early in the year, Miss Kildoo discussed the life of some Indian tribes of our Southwest.

Mr. Lawrence C. Davis, of the Geography Department staff, presented a geographic interpretation of the Lake Michigan copper mining district introducing maps and sketches during his talk.

Miss Bernice Orndorff, Head of the English Department, discussed her trip abroad last summer, and permitted the Club to enjoy the charming motion pictures she had taken in England, Scotland, Belgium, Holland, and Paris.

In an illustrated lecture, Miss Harriet Carter of the Frick Training School, Pittsburgh, featured Spain, which she visited with "geographic eyes" last summer.

The Club was happy to have our President, Dr. Charles R. Foster, tell of his impressions during a Christmas holiday trip to the Bahamas, Bermuda, and Cuba.

Dr. S. H. Williams, an internationally recognized scientific explorer, and a member of the University of Pittsburgh faculty, presented a delightful, and at times humorous fashion, "A Naturalist in the South American Jungle."

The Club members appreciated the opportunity to attend a Symposium on Africa held in the Geography Department and conducted by Dr. Homer L. Shantz, President of the University of Arizona, who has made several intensive trips to Africa.

At the concluding meeting, Clinton F. Hile, graduate of Lehigh University, who is attending our college, explained some fascinating experiences he has had as an engineer in various parts of the world. The annual spring party was held in Recreation Hall on April 30.

By thus visiting these different places and peoples, the Club members have acquired a more sympathetic understanding of foreign problems, which experience will better fit them as world citizens.

The Poetry Club

THE Edwin Arlington Robinson Poetry Club was organized in 1927 under the direction of Carrie Belle Parks, who was given permission by the poet himself to use his name in the title of the club.

The purpose of the organization is to promote broader appreciation and knowledge of poetry. For each monthly meeting a definite subject is chosen about which the members read their favorite poems or discover new poems. Each year the club buys books of modern poetry which are kept in the Poetry Club library for use by its members.

From every curriculum and class, students are invited to join who have a sincere interest and an appreciation of poetry.

The Mathematics Club

THE Mathematics Club is an organization open to any student interested in pursuing the subject as an activity. Meetings are held during the year for the discussion and the presentation of papers on interesting and little known phases of mathematics. When possible, the club invites men in the teaching profession to come in and give the members facts that will aid them in their studies.

Such meetings are varied with social activities, a banquet, and a party. The club offers a pleasant and splendid opportunity for study and exchange of ideas outside the classroom.

The Sci-Hi Club

THE Sci-Hi Club was established originally in 1925. When Indiana changed from a normal school to a teachers college, the Sci-Hi Club was reorganized to meet this change.

This organization has as its purpose the creation of greater interest in the field of science and training in the technique of sponsoring such organizations in high school work. All science majors are eligible for membership in the club.

Various topics of scientific interest are presented by the members of the club at its monthly meetings. An endeavor is made to present a series of programs of such nature that they may form a working basis for a practical serviceable yearly program in a high school science club. Occasionally social programs are mixed with the regular order of programs.

The club is sponsored by Mr. Emmert of the Science Department.

Newman Club

THE Newman Club is an organization for the Catholic students of the College. This club meets once a month, alternating spiritual meetings with those of a business and social nature. Miss Jane Louise McGrath is the faculty sponsor for the club.

The spirit of the Newman Club is embodied in the following purposes:

1. To afford an opportunity for the continuance of spiritual growth.
2. To foster and encourage among its members higher scholastic achievements.
3. To promote a wholesome spirit of friendship among all students and to stimulate whole-hearted cooperation in college activities.

This year the programs have been very unusual and interesting. Two of the special programs which were greatly enjoyed were an illustrated talk on the Holy Land and Egypt, by Miss Erna Grassmuck, and a song recital presented by Albert Moreau.

One of the most important events on the social calendar was a dinner-dance held at the Yellow Lantern Tea Rooms. About eighty members were present to enjoy this delightful affair.

ATTILIO TUCS

GEORGE P. MILLER
Coach

IN all the teams which he trains Coach Miller insists upon good sportsmanship and clean play, and the teams that represent Indiana show the fineness and expertness of his guidance. Indiana owes to Coach Miller a debt of gratitude for his successful efforts to keep athletics at Indiana upon a high plane.

The 1931 Football Season

In September, football prospects were exceptionally bright. Ten lettermen of the 1930 team were eligible for the new season. The hopes for success on the Red and Slate Field were dimmed only by the fact that neither Stoner nor Studebaker would be back on the end positions; and Landis, the line-crushing fullback, would have to smack the line without the aid of Muschella, a veteran of four years. Among the freshmen that reported for practice, Coach Miller was busily engaged looking for a triple threat back to take the place of Howdy Steele, who was lost through graduation.

The first game of the season found Indiana invading Lock Haven territory and playing the 1930 Teacher Champions to a 7 to 7 tie. The freshman half-back, Gendich, and the senior quarterback, McClaren, were the shining lights of the game. Gendich proved a triple threat during the entire game, and McClaren, running the team for the first time, performed like a veteran.

The next week Indiana called upon the strong Teacher's eleven at Fairmont, W. Va. Two regulars, Kneebone and Landis were found on the bench during the entire game, due to injuries sustained the week before. Again the newly acquired Gendich shone by one of his beautiful passes land-

ing over the goal line in the arms of ball hawk, McClaren, for the only score of the game.

West Chester, one of the leading physical education schools in Pennsylvania, came to Indiana to open the Millermen's home stand, and also with the intention of winning the game. After three quarters of hard football, it became apparent that West Chester did not have a chance with the local varsity. About the last ten minutes of the game, the physical education eleven found themselves pitted against the second eleven. Before the substitutes knew what it was all about, a touchdown was scored against them. This score wakened everyone, including the spectators. With the aid of a few more substitutions, Indiana was able to finish on the long end of a 12 to 7 score.

CAPT. KLISKEY, *Guard*

It became obvious in this game that Coach Miller's greatest problem was with his reserves. Although plucky and well trained, the team was not sufficiently strong enough for the major games, where everything would depend on replacements.

One of the biggest surprises of the past year was handed out by Coach Jones of the Clarion State Teachers College. The golden tornadoes had about ten new men in its starting lineup. On a mud-soaked field the first half ended 3 to 0 in Indiana's favor. This score was made possible by the line crashing of Landis and a beautiful place kick by Gendich from the eighteen yard line. At the beginning of the second half,

Indiana's sure handed center, Stough, blocked a Clarion kick on the twelve yard line and recovered the ball back of the goal line. This was the lone touchdown of the game. Later in the same period, Gendich finished the scoring of the day by the use of his dependable right foot, kicking another place kick from the fifteen yard line. This kick made the score 12 to 0, which is the lowest score Indiana has ever defeated Clarion by since Coach Jones has taken over the reins there.

Practice was very hard during the next week in preparation for the Edinboro game. The previous season the Erie boys gave the Red and Slate one of the worst beatings that any eleven representing the school was ever forced to take. This made the local boys furious, and they were out for revenge. The first half, Edinboro held Indiana to six points, but after listening to Coach Miller and his assistant, Prugh, the fighting warriors came back strong and finished the game on the long end of a 26-0 score. Gendich's triple threat work, the ball carrying of Landis, and the great defensive work of the linemen were the highlights of the game.

Slippery Rock, who had not lost a game to any Teachers College in Western Pennsylvania, was to play host to Indiana the next week. The day of the game the Red and Slate travelled to Slippery Rock, only to place a badly crippled front wall in front of a hard worked backfield. The Green and White took advantage of everything, running all their plays smoothly and throwing passes all round our crippled but courageous backs. During the first quarter Captain Kliskey, one of the mainstays of the line,

SIEGMAN
Quarter

McCLAREN
Full

was severely injured and was forced to watch the remainder of the game from the side lines. Many more of the first eleven were compelled to see action from the sidelines before the game was finished. Although completely outplayed after the first few minutes of play, the Indiana crew never stopped trying. Try as hard as they might, they could not stop the physical education boys from gathering 26 points to the Red and Slate's 0.

In the two weeks between the Slippery Rock and California games great optimism was expressed for the Redmen. The Californians had not won a game from Indiana for three years, and their efforts during the season had not been exceptional. The California eleven had a constant threat in Neale, right end, who speared passes anywhere and at any time during the game. Five days before this game, Indiana suffered the severest blow of its season. The freshman flash from Jeannette, who is

CARVER
Tackle

own eleven yard line.

The last game of the season found McClaren finishing his career along with another back and two substitute linemen. When the opening whistle blew, Landis, nursing an injured knee, was found sitting on the bench alongside of Gendich. Rain fell throughout the game. In the first few minutes of play Shippensburg completed two forward passes which resulted in a touchdown. Fortney drop-kicked the extra point. This kick ended the scoring

GETTY
Guard

for the Red and Blue and also proved the winning point. In the second half Indiana came back full of determination, but the best they could do was score a touchdown in the third quarter. The try for the extra point went wide. The remainder of the game showed the Shippensburg men on the lookout for the long, looping passes hurled by the Millermen. The ineffectuality of these gave an added glimpse of the careful training of the Shippensburg aerial defense.

Next season, Coach Miller should begin practice in a happy frame of mind, having three first string backs and the entire varsity line around which to build his team.

better known as Gendich, suffered a severely injured hip during one of the practice games between the first and second teams. With Gendich in the Infirmary, the Millermen made their last trip of the season, only to find themselves playing California in a scoreless game on a mud-soaked field. Indiana registered fifteen first downs against three. Leech looked exceptionally well as a blocker and a receiver of passes. Midget Ramage returned kicks like an All-American, and Landis again gave a wonderful exhibition of line crashing. During the last quarter the Red and Slate carried the ball to the four-yard line, but at this point California's defense tightened, and Indiana lost the ball on downs. The game ended with the ball in California's possession on their

Much credit is due to Capt. Kliskey for the fine manner in which he carried his team through a successful season. Joe performed his duties as an old veteran and made lasting friendships with every member of the squad. Through the efforts of Coach Miller, he developed a fine spirit of cooperation and encouraged clean sportsmanship among his teammates which was shown in the many games of the season. Many other members of the squad deserve much credit, but lack of space prohibits mention of them.

Cheer Leaders

TO create enthusiasm where there is lethargy, to preserve hope where there is despair, to mold riotous and dissipated screaming into a unified roar of support.....this is the task of a cheer leader.

At Indiana, the cheer leaders are a worth while asset to athletics. Clothed in their new uniforms, they make a spectacular appearance. Possessed with a never lagging spirit, the peppy and enthusiastic "Let's go, boys" seem to enthuse both player and spectator to fight for Alma Mater. Their presence is enough to turn gloomy and dubious outlooks into the most sparkling prospects. It is their cheers floating voluminosly across the field or floor that urge and inspire their fighting teammates on to greater efforts and new conquests.

The 1932 Basketball Season

AFTER the football season closed, candidates were called for basketball practice. With the return of four lettermen from the preceding year, prospects for the 1931-32 season looked rather encouraging. During the first few weeks of practice, Coach Miller kept one eye on drills in fundamentals and the other on capable material from the freshmen squad. Practice had to be rushed somewhat on account of the Bloomsburg game before Christmas vacation.

On December 18, Bloomsburg journeyed here to open the season with the Indiana quintet. The local basketeers came through with an easy victory, displaying fast passing and accurate shooting ability to take the game by the score of 30—16. In this game several freshmen had their first opportunity to give the regulars a fight for their berth on the squad, and they came through in fine form.

Shortly after vacation the varsity was encountered by an alumni team composed of stars of former years, and the older veterans showed a little too much experience for the present quintet, winning by the score of 27—24.

In the next game the Red and Slate team continued the good start of last year by defeating the Youngstown outfit by the score of 21—12. In this game and in earlier games of the season, Ken Davis, a newcomer to the Indiana floormen, proved himself to be a real threat to any opposition. Together with the

speed and fine floor work of Gressley, the generalship of Captain Davis, and the fast guarding of Schurr and Leech, the combination looked like a hard outfit to defeat.

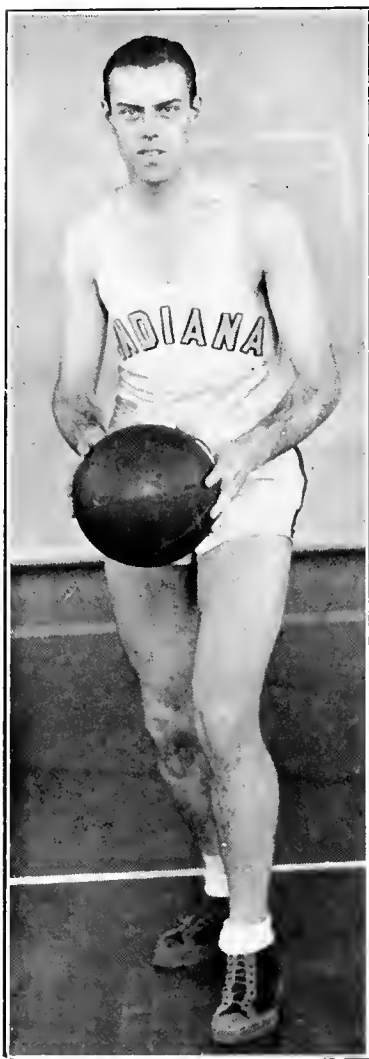

On January 22, the team visited Youngstown and played a second game with the Y.M.C.A. College. The Ohio Lads were looking for revenge because of their earlier defeat; thus they handed the Indiana squad the first set back of the season by the score of 35—15.

On their journey home from Youngstown, the locals stopped at Slippery Rock where the physical culture experts gave their visitors an unhospitable welcome, sending them away on the short end of the 47—24 score. On account of several injuries sustained to varsity regulars in the preceding game, Anderson and Gendieh played a good part of the time; and they occupied their new berths in fine manner.

One week later Clarion played host to the Miller floormen and were defeated in a fast close-guarding game by the marginal score of two points, 17—15.

Continuing their travels, Indiana visited Bloomsburg, California, and Edinboro on successive Saturdays. These games were heart-breakers for the local passers, losing all by small point margins.

After the team's long absence, the next home game, with Clarion, was attended by a large enthusiastic crowd. Because of the close score and the fine teamwork exhibited by Clarion in an earlier struggle of the season, the spectators looked forward to a real battle.

CAPT. DAVIS
Forward

J. DAVIS

GRESSLEY

K. DAVIS

SCHURR

LEITCH

Congenial Clarion did not disappoint. The game was a hair-raiser from start to finish, which came only after two extra periods had been played. After having the edge during most of the game, the local quintet lost in the last few seconds of play when Captain Williams, a Clarion star who had been a consistently brilliant player, dropped a miraculously long shot from back of the center circle. But then he was aiming at the basket.

On February 27, Slippery Rock, with their former victory in mind, journeyed here to pile up another score, but the valiant Indiana freshmen bucked

BARTLEBAUGH

ANDERSON

BRADEN

CHAPMAN

GENDICH

the ginxs, and held the strong Green and White to an eight point lead; the game ending 26—18. Chapman, Anderson, Braden and Gendieh carried the burden of the game, and for their short experience, did a fine job.

For all Indiana's good intentions to send the Edinboro boys home without their scalps, the next home game resulted in the visitors returning north with their heads intact, and Indiana's collectively bruised by a 37—15 clubbing.

Going east, the red and slate men dropped another to the fast Millersville floormen, 34—18. On the following day, at Shippensburg, the hosts added the last setback of the Indiana season, taking an easy victory from the visitors by the score 32—19.

The team suffered considerably all season from the loss of Gressley and Capt. Davis, both of whom were injured in the early part of the year. With both the forward positions occupied by new material the early prospects of a winning team did not bloom. Although the substitutes filled their positions in fine form, they were not able to fully repay for the loss of the two regulars.

Although the season was marred by defeats, it was marked by good sportsmanship and plenty of thrills.

Freshman Basketball

THE freshman basketball team, under Coach Gibson, opened the season with the flashy Clymer High School, and the locals lost by two points.

Later they played the Indiana Y.M.C.A. Intermediates, and, exhibiting better form, won 15—4. The next game, with Pitt Junior College, resulted in the second setback of the season, 24—21. A few weeks later the squad met the fast Kiski Quintet and came out on the small end of a 31—24 score. In the final contest, a return game with Pitt Junior, the Freshmen won a 35—31 victory.

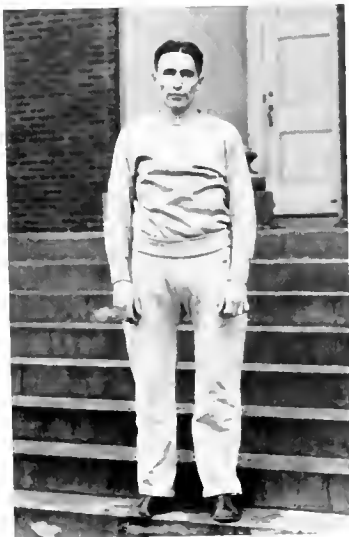

Lease, Basile, Pallone and Gesey will all undoubtedly be of great aid to Coach Miller when he selects the material for his 1933 varsity.

The 1931 Track Season

ALTHOUGH track was just beginning to be recognized as a major sport at Indiana, the cinder path boys made a creditable showing in 1931.

The first dual meet, which was held on May 2 against the Indiana High School, found the college boys on the long end of a 66 to 40 score. Every man on the team was given an opportunity to display his wares against the local high school. This meet gave Coach Sanders an opportunity to mold together an organization which was to compete in a triangular contest on May 9. The cinder path aggregation from Clarion came to Indiana with many speed merchants and weight men. California and Indiana both presented good teams, but they could not equal the ability of the boys from Clarion. The final results proved that Indiana was one-half point better than California, finishing with a score of $28\frac{1}{2}$ against California's score of 28. Clarion was never in any great danger, winning the meet with a score of $51\frac{1}{2}$.

MARSHALL, Captain

On May 16, Coach Sanders took his boys to the first State Championship meet among the Teachers Colleges of Pennsylvania, held at West Chester. The boys found that there are as many speed demons and good weight men in the Teachers Colleges of Pennsylvania as there are anywhere in the country. Although Indiana was not fortunate enough to place

among the winners, the entire team considered the State Championship the high light of the year.

Coach Sanders decided to hold a Pentathlon. This meet met with the approval of the entire school. Twenty-five men reported for the meet. Through the aid of a few faculty members and students of the school, the entire meet was carried on without a hitch. Jimmy Bartlebaugh, a town boy who transferred from Grove City College, and was ineligible for inter-school meets, took first place. He was closely pressed by Jay Rudolph, Captain of the 1930 team. The next four places were taken in the following order: George Marshall, Albert Miller, Thord Marshall, Captain of this year's track team, and Jack Bendall.

The season finished with Jay Rudolph the leading point scorer, finishing with a score of 24. George Marshall finished second with a total of 19½ points. Clair Cogan, a fleet footed freshman, finished third with 14 points, and Captain Thord Marshall garnered 10 points to finish fourth.

The season's record is a tribute to Coach Sanders' ability. Although handicapped by the fact that the cinder path was not in the best condition, and that the speedy Rudolph had suffered a knee injury during football season, on the whole, the team finished in a creditable way.

The 1932 team will suffer from the loss of Captain Jay Rudolph, but the prospects for a winning combination look very good.

The Varsity "I" Club

THE Varsity "I" Club, composed of athletes who have won varsity letters at Indiana, confesses another active year. During the first few days of school, the club was engaged in formulating plans through which they could raise sufficient funds to purchase sweaters for the eligible seniors and juniors. With this purpose in mind, a number of events followed, such as the selling of "dinks" and ties to the Freshman, megaphones, programs, tickets, and other similar items.

The "I" Club's members were several times called on to act as campus guides or officials in situations requiring such service as they could offer. It is through the general willingness to give organized attention to tag-ends not coming under the jurisdiction of the campus organization that the "I" Club finds other than a purely social existence possible.

<i>Treasurer</i>	GEORGE MARSHALL

Intramural Basketball

INTRAMURAL basketball is growing popular at Indiana. Each year sees an increasing number of men taking part, with the emphasis placed upon enjoyable exercise rather than upon the necessity of winning.

The past year, the third under Mr. Prugh, saw intramural basketball reach a new level, both in participation and in interest shown in the sport. The plan of using student direction and administration of games continued to prove successful under manager, Bendall, and referees, Stough and Erb.

This year, the participants were divided into ten teams and two leagues. Each league played its own schedule. After completing the schedule in their own league, the winners of the semi-finals played for the intramural championship. This year's winning team was team nine, composed of the following men: McAttee, Rooney, Pharoah, Landis, Kunkle, Catanzarite, Powell, and Captain Zemyam.

The third annual Athletic Banquet in the College dining room attracted and entertained nearly a hundred of the intramural group, and thus definitely established itself as a part of the annual event on the Indiana calendar. At this Banquet also, the 1932 Intramural Basketball Champions were presented beautiful gold medals for their season's accomplishment.

Where in inter-school competition only the best athletes can qualify, in intra-murals the college gives all men students a chance to compete in the major sports. Thus more men are enabled to get healthful exercise and friendly rivalry. The intra-mural system also aids the college by developing skills to the point where they can be an aid to the varsity teams. This year handball and speedball were added to the intra-mural program. With the interest already shown in volleyball, tennis, horseshoes, baseball, and basketball, the year was one of great athletic expansion.

Cross-Country

WITH track recognized as a major activity, Coach Sanders inaugurated the well known sport of cross-country at Indiana in 1930. Although losing its first meet to California by one point, 28 to 27, the team proceeded to train much harder and finished the season with a victory over Shippenburg by seventeen points, 36 to 19.

Again this season, Indiana held two meets; the first with West Chester at Indiana, and the second with California at California. Competing against West Chester, the Indiana sextet demonstrated some outstanding ability. Although West Chester copped first place, Duffalo placed second in remarkable time. With several places Indiana outran the visitors by five points, giving Indiana its first victory of the season, 30 to 25.

In the second meet Coach Sanders and his cohorts invaded California and left the home team on the short end of the 33 to 22 score. Again, Duffalo placed second for the Indiana sextet.

Next season Coach Sanders is planning to have at least five dual meets and a triangle meet with Clarion and California. With this schedule in mind, it is certain that more candidates will report when the initial practice is called.

RESULTS OF THE SEASON

WEST CHESTER at INDIANA

Duffalo	placed second	time, 28 minutes, 45 seconds
T. Marshall	placed fourth	time, 28 minutes, 47 seconds
Morton	placed sixth	time, 29 minutes, 54 seconds

Womens Athletic Association

THE Womens Athletic Association is organized for the purpose of promoting interest in all sports and physical activity of women at Indiana State Teachers College as a means of securing recreation, physical efficiency, scholarship, and good sportsmanship. During the four sport seasons of the school year, the major events are hockey, tennis, basketball, baseball, track, horseshoes, volleyball, and swimming. At the end of each season there is a jamboree, at which time the numerals and chevrons are awarded. After twelve hundred points are earned an "I" is awarded.

Spirit of Indiana

On! On! On to victory
Everyone expects to see you win today,
Fight to win! "Play the game square."
Always for your Alma Mater do and dare!
Now then go! Give them not a show,
You'll have skill and daring that we know,
For not only will we score
But will add a few points more,
Just to show them how we do at Indiana,
Indiana don't you hear our cheer?
That you'll honor us we have no fear,
See our pennant floating o'er the field!
Unto foemen you will never yield
You will hear us as we shout and sing,
With your praises will the welkin ring,
Other teams will know their fate,
When they meet the "Red and Slate,"
It's the way we always do at Indiana.

For it's

Victory! Victory! Victory!
With your faces ever towards the foe,
Victory! Victory! Victory!
Pressing forward you will win we know
Victory! Victory! Victory!
Every man is finding every play,
For it's written on your shield
"Unto foemen never yield."
We will always do our best for Indiana.

BETA GAMMA CHAPTER of Kappa Delta Pi, an international honorary educational society, was installed on the campus in May, 1928. It is the foremost educational society in normal schools, teachers colleges, and in departments of education in universities.

The Society has eighty-two chapters in the largest educational institutions of the country. It admits those men and women to membership who have shown by their scholastic and social records that they are in the upper quartile of the college.

The purpose of the society is "to encourage in its members a higher degree of consecration to social service." To this end it maintains the highest educational ideals and fosters fellowship, scholarship, and achievement in educational work.

To be elected to Kappa Delta Pi is the greatest honor that may come to a student at Indiana, who attempts to rank high in scholarship and worthy ideals. The society numbers among its membership some of the leading educators of the United States. The presence of Kappa Delta Pi on the campus acts as an incentive to higher scholastic attainments.

American College Quill Club

GER RUNE

Established 1909

Colors: Black and White

THE local rune of the Quill Club, organized in 1927 as the Penn and Scroll interest in writing, and the promotion of better writing through criticism Club, has as its purpose the encouragement and development of an in- and discussion of manuscripts presented by individual members.

Installation and formal initiation into the Quill of the Penn and Scroll Club members was accomplished May 7 at Indiana Country Club with national officers officiating.

Ger Rune of the Quill Club publishes a literary magazine, "The Scroll," every other year. All the material in this magazine is written by the members of the local rune.

The American College Quill Club does not compete in any way with the Greek letter fraternities, literary, social, or professional. It is not an honorary organization, but it is one in which merit gains recognition.

The Music Club

THE Music Club consists of all those people who are enrolled in the Music Department. The purpose of the department is the preparation of supervisors for the field of public school music.

A number of educational-recreational activities are maintained by the Music Department. These include the mixed chorus, the men's glee club, Vesper Choir, which furnishes the music for the Sunday evening Vesper services, a symphony orchestra, a junior and a senior band. Besides serving their educational purpose, these organizations participate in many activities and social functions of the school.

The Orchestra

THE College Orchestra is of symphonic proportions. Any student is eligible to membership if accepted by the director. This organization uses a high type of music, as evidenced in its annual spring concert, and furnishes an excellent opportunity for any student of an orchestral instrument to further his knowledge and practice in this activity. Students having previous orchestral experience are invited to make application for membership to the Director of the Music Department.

DIRECTOR
JOHN W. NEFF

The Mixed Chorus

THE Mixed Chorus is open to any college student accepted by its director. The organization uses a high type of secular and sacred music and offers unusual opportunity for a comprehensive growth in both a cappella and accompanied choral singing. Students are invited to apply to the Director of the Music Department for membership in the organization.

DIRECTOR

JOHN W. NEFF

The Senior Band

INDIANA boasts of two excellent bands. Membership in the Senior Band is limited to those students who have developed a technique and musicianship sufficient to participate in the performance of an advanced type of concert music. Any student in school is eligible for membership in this organization if accepted by the director, Mr. E. F. Sullivan. The band plays at all home football games, and at any other college function at which its services are required.

DIRECTOR
E. F. SULLIVAN

The Junior Band

MEMBERSHIP in the Junior Band affords an excellent opportunity for students to gain experience in ensemble work. Eligibility to the organization is the same as for the Senior Band. The Junior Band makes several public appearances during the year. Mr. E. F. Sullivan also directs the Junior Band.

DIRECTOR
E. F. SULLIVAN

The Vesper Choir

THE Vesper Choir, directed by Miss Aagot M. K. Borge, furnishes music for the Sunday evening vesper service. Its membership includes all freshmen and sophomore girls of the music department. In addition, any girl in school is invited to try out for membership with the director.

The Leonard Literary Society

IN the days that were, Jane E. Leonard, an institution in herself, always manifested the keenest and vital interest in bringing to Indiana and the Normal School men and women of worthy fame.

The Leonard Literary Society known now by her name, has endeavored to carry on her scheme for bringing celebrated high class talent to the college. Among the renowned folk the Leonard Literary Society has brought have been Alfred Noyes, Ruth Draper, Cornelia Skimmer, Charles Rann Kennedy, Edith Wynn Mathison, Tony Sarg's Marionettes, Rear Admiral Richard E. Byrd, Carola Goya, Spanish Dancer; "AE" or George Russell, Irish poet, E. H. Southern; The Abbey Players from Dublin; and Dr. Tarbell.

STAFF AIDS

Miller

Clyde

Markley

Kaye

Segar

Wirt

Stauffer

The membership has steadily grown through the last few years and has reached eleven hundred and sixty in this oldest and largest organization on the Campus.

The Society proudly lists in its membership over one hundred faculty members who obviously value the high standard of talent presented by the organization.

The faculty adviser to the Leonard Literary Society is Edna Lee Sprowls. There is an official staff of five and in addition to this seven staff aids.

As a tribute this Society has labored to bring into being the dreams, ideals, and literary virtues of Jane E. Leonard.

The Panhellenic Association

Presents

“Sweethearts of the Ages”

FOR THE Y.W.C.A.

COLLEGE AUDITORIUM

Regular 1932 girls of our campus were startlingly transformed by a little gold paint here and a half yard of cloth there, into regal creatures of long ago. The advent of those women lovers in their far-removed setting could not have been more picturesque than were our college girls as they assumed the mood of their character and moved across the opening of the curtain to the slow cadences of music and the voice of the eunuch chanting their praise.

CHARACTERS:

<i>Cleopatra</i>	MARGARET BERLIN
<i>Helen of Troy</i>	ARDELLE CAMPBELL

Commercial Frolic of 1931

THE annual social event given by the Commercial Department was held on Saturday, April 11. The unusual feature of the Frolic was the separation of the dance and the tea service. While the dancers enjoyed themselves in Recreation Hall, tea was served in the Commercial Department in the new Arts Building.

The decorations created the typical college atmosphere; Recreation Hall was attractively arranged with strings of college pennants, and the dancers dressed in sport clothes added to the collegiate atmosphere. North Hall, transformed for the day into the proverbial college Lover's Lane, was especially attractive.

The tea units in the new Arts Building showed how well the building could be used for social affairs. Two rooms were used for serving tea, and hospitality was extended by very charming hostesses. Here too, the decorations were college pennants. Along with the dancing there were several other entertainments. A room equipped with many and varied games, including cards, checkers, and other games, provided a delightful source of fun to many people.

The beautiful spring weather and joyous crowd helped make the Frolic the success it turned out to be.

Freshman Prom

OVER two hundred couples danced to the strains of Joe De Simon's orchestra at the annual Freshman Prom held in Recreation Hall on March 5. The Hall was simply and attractively decorated, the orchestra was good, and pretty girls in beautiful evening gowns with handsome escorts completed the gala atmosphere. In the receiving line were Dr. and Mrs. Foster, Mr. and Mrs. Walsh, Mr. and Mrs. Whitmyre, Miss Hope Stewart, Dr. and Mrs. Davis, Miss Mary Robinson, William Reilly, and Don Pollock.

The chairmen of committees who helped make the dance successful were:

<i>Music</i>	EDGAR HILL
<i>Publicity</i>	RUTH DICKINSON
<i>Decoration</i>	KATHRYN DEISHER
<i>Refreshments</i>	CAROLYN SIMPSON
<i>Program</i>	FRANCES McCORMICK
<i>Invitations</i>	KATHRYN DONOVAN
<i>House</i>	MIKE GENDICH
<i>Typing</i>	DON POLLOCK

Inter-Fraternity Dance

TO the syncopated tunes of Billy Weixel's Pittsburgh orchestra, about one-hundred couples danced in Rec. Hall until the small hours which began the last pre-vacation day, March 18. This pre-Easter dance, with women, was one of the loveliest yet given by the fraternities and will be remembered as a highlight of the year 1932. In the receiving line were Mr. Davis, Mr. and Mrs. Uhler, Mr. and Mrs. Rowland, Joseph Siegman, Max Harwick, and Kenneth Winebrenner.

Special credit goes to the following committees whose cooperation and hard work made the dance such a success:

<i>Decorations</i>	}	PAUL KUNKLE
		KENNETH ARISMAN
		PAUL MCGREGOR
<i>House</i>	}	WILLIAM MCGILL
		BEN FINDLEY
		THEODORE SHAKLEY
<i>Music</i>	}	JACK BENDALL

Third Annual School Athletic Dinner

THE Third Annual School Athletic Dinner, under the auspices of the Department of Health and Physical Education, was held on Saturday, April 9 in the College Dining Room. This school dinner combines the several athletic banquets into an annual event, so that the entire school may enjoy the spirit and enthusiasm that is characteristic of Indiana teams. At this time varsity letters and awards are presented to the athletes who have fulfilled the necessary requirements. Certificates, letters and awards were presented to the following:

*Commendation from an
Appreciative Customer:*

"For the past eleven years the Pittsburgh Printing Company has printed the 'Yough-a-Mon,' the yearbook of the McKeesport High School. During these years the writer has always found the company to render complete satisfaction. It has always given our high school a superior book at a moderate cost. At no time has the writer had occasion to find serious fault with the personnel of the company or with the workmanship of the books printed. He gladly recommends the company to any school requiring a reliable and efficient printer.

I. J. BERKEMA, Adviser."
